**Meadowbrook Estates- WATER MORATORIUM**  
**Town of New Windsor \ Town of Cornwall**  
**Orange County, New York**

Dear Lee:

As discussed, the Town of New Windsor is still in a water moratorium and will not sign the *Water Main Extension Application* until the moratorium is lifted. We therefore request that you place the application on "administrative hold" until such time as the moratorium is lifted and or the application is signed by the Town Supervisor.

Should you have any additional questions please don't hesitate to contact this office.

Sincerely,  
**Engineering Properties, PC**
